Woman Is Killed, Others Injured In Series Of Mishaps

Auburn Woman Dies When Car Plunges Down Donner Ravine

Mrs. Amelia M. Maloney, 74, was killed and her daughter and son-in-law, Emma, 56, and Merle Wolbert, 59, were injured when a car driven by Wolbert plunged 75 feet into a ravine at the east approach of Observation Bridge on Donner Summit Sunday night at 6:30 o'clock.

The car was traveling west and the right front wheel apparently struck a snow burm on the right side of the road, causing the driver to lose control of the vehicle and it plunged off the road. The car was traveling at a slow speed, officers of the California Highway Patrol reported.

The driver suffered only minor injuries but his wife has major injuries. Both were taken to Tahoe Forest Hospital by Truckee ambulance.

The body of Mrs. Maloney was taken to the Truckee Colonial Mortuary.

Two Hurt

Josephine Martin, 19, Kings Beach and Helen Rawlett, 19, of Truckee, suffered minor injuries last Wednesday when a car driven by Edward L. Martin, 46, Kings Beach, skidded on an icy spot near the summit on the Brockway shortcut and ran off the bank.

Woody Ribal, Jr., 19, Carnelian Bay, was not injured when his car skidded and overturned 10 miles south of Tahoe City on Route 89 Friday shortly after noon.

Lewis Injured

Gerald E. Lewis, 50, Truckee building contractor, suffered injuries which necessitated hospitalization Friday evening at 7 o'clock when he swerved his car to avoid

Wolverines Lose In Douglas Game

GARDNERVILLE — Douglas High School's high flying Tigers rolled past Tahoe-Truckee here Friday night, 79-58 in a Northern Nevada "A" Conference basketball game. The win kept the Tigers in first place in the loop title race where they are tied with Lovelock. Both clubs sport 10-1 records.

Douglas jumped on top of Tahoe-Truckee 10-0 in the first period and stayed on the long end all the way.

Lloyd Anderson spearheaded the Douglas scoring attack and took game honors with 24 points. He hit 12 for 13 from the free throw line.

Bill Notley topped the visitors' scoring as he utilized his favorite jump shot for 21 points.

In a prelimnary skirmish, the Douglas junior varsity bounced the Tahoe-Truckee JC, 48-36.

TWO SEEKING POST OF TAHOE JUDGESHIP

TAHOE CITY—Two nominations have been received by County Executive John Bernard for the position of judge of the Tahoe Judicial District Court, to succeed the late Judge Harry Charrision.

The nominees are Robert A. Fugazi ,local attorney and Paul Melee. The supervisors are expected to take action Tuesday. In the meantime Judge Fosten Wilson of Truckee is presiding in the Tahoe court.

PONDS RESIGNS POST AS PROBATION HEAD

NEVADA CITY—Nevada County Probation Officer Floyd Ponds and his staff of four members resigned en masse Tuesday, leaving the county juvenile hall unattended and the probation department unstaffed.

Ponds said he and his staff resigned under pressure of strong accusations of the county grand jury and probation committee. He said it had been charged that his department has not been conducted in a manner satisfactory to county committees and agencies.

WORLD PRAYER DAY ATTENDED BY LOCALS

Mesdames Rufus Fields, James Harris, Lyle Hubbard, Ivan Wilson attended the February 17 seventy-fifth annual World Day of Prayer at Squaw Valley as representatives of the WSCS of Truckee.

Twenty-two members of the WSCS from Kings Beach, Truckee and Squaw valley also enjoyed a pot luck supper following an international program.

More than $77 in cash was stolen last week by a burglar who entered Ed Hellar's Union Service Station at Bridge Street and Commercial Row and looted coin boxes and stole the change which had been left after the station closed.

BACK FROM HONEYMOON

Mr. and Mrs. Charles Fink have returned after a honeymoon spent in the southern part of the country and Mexico. Fink has resumed his work as pharmacist at Loynd's Truckee Drug.

Girl Saves Brother As Fire Destroys Home In Floriston

A belated report of a midnight fire at Floriston in which two children narrowly escaped death was revealed here this week.

The fire, which destroyed the Oscar France home, occurred February 18.

The two children, Julianne, 12, and her brother, George 4, were asleep in an upstairs room when the fire broke out shortly after midnight, apparently from a faulty fireplace flue. The gasping and gagging of George awakened the family and Julianne rushed to a window, gasped a breath of fresh air and then closed the window and rushed to the bed of her brother, siezed him by the arm and propelled him to the stairway where they were met by the frantic mother and father and rushed to safety.

The house was so filled with smoke by the time the family awakened that it was impossible to see.

The family's pet dog, which slept on the foot of Julianne's bed, suffocated before he awoke.

Volunteers attempted to save the house but the fire had gained such headway that it was impossible.

This was the second home to be destroyed in the same manner at Floriston in recent months.

Chamber To Start Membership Drive

The annual membership drive for the Truckee Donner Chamber of Commerce is scheduled to get under way March 6.

A report on the progress of the drive will be made at the next meeting of the chamber to be held at Smart's on Wednesday, March 8.

The drive is headed this year again by N. F. Dolley, chamber manager and chairman of the membership committee. He will be assisted by the secretary, Mrs. Pat Tonini.

Dolley said he hoped that the response to the drive will be immediate as there is much to be done if this year's ambitious program is to be carried to a successful conclusion.

INITIATION WILL BE FEATURE OF MEET

Naomi Rebekah Lodge No. 2 will meet Wednesday night, March 8 with Goodie Mori, noble grand, presiding.

A large class of candidates will be initiated into the order at that time. Eloise Stowe, Bess Reid and Jean Walker will be on the refreshment committee.

The Donner Lodge of Odd Fellows and Naomi Rebekah Lodge will canvass for the heart fund drive in the business and residential districts of Truckee and Donner Lake as well as Donner Summit from March 26 to April 26.

RANSOME COMPANY HERE IS PURCHASED

Effective February 15, the Ransome Company of Nevada was purchased by the California Liquid Gas Company of Sacramento, according to an announcement made this week by Lyle Hubbard, Truckee district manager for the company.

The new concern will retain the name and will be known as Ransome Propane.

No change in personnel or policies are contemplated and the same service will be rendered throughout the district, Hubbard explained.

FIVE VOTERS FORM ICE LAKES DISTRICT

SODA SPRINGS — The five eligible voters in the Ice Lakes area, south of Soda Springs, last week voted unanimously to form the Sierra Lakes County Water District.

Results of the election will be referred to the board of supervisors of Placer County for further action.

BOOK CLUB TO MEET AT SCHOOL MARCH 8

Immanuel Kant's Prolegomena to Any Future Metaphysic will be discussed at the March 8 meeting of the Great Books Discussion Group.

Geraldine Bean will lead the discussion beginning at 8:00 p.m. in the library of the high school in Truckee.

Funeral Services For Tahoe Judge Are Held Monday

Harry Charrison Dies After Suffering Attack At Tahoe Home

Funeral services were held at the Truckee Colonial Mortuary Monday at 2 p.m. for Harry Charrison, 76, judge of the Tahoe Judicial District Court, who expired here Thursday afternoon following an attack at his home on February 18. Internment was in the Tahoe City cemetery.

Pall bearers were Gene Faulkner, Red Waddell, Eddie Little, Don Barkhurst, Ned Malla and H. Howard. The services were conducted by Eugene Risden, lay minister, and the organist was Mrs. Roy Rhoades.

Judge Charrison was a native of Canterbury, England, born December 31, 1884. He went to Winnepeg, Canada in January, 1908 and on his following birthday, December 31, 1909, was married to his surviving wife, Elsie. Last December they celebrated their 52 wedding anniversary.

In 1923, the couple moved to Pasadena where he engaged in the rug business until coming to Kings Beach in 1945.

Here he was inspector for the department of agriculture for some time and was also postmaster at Kings Beach. In 1950 Charrison was elected to the judgeship of North Lake Tahoe and held this position until his death.

He was a member of the Lions Club, the Odd Fellows Lodge and an active member of the Wee Kirk of the Pine Church.

Surviving besides his wife, are a daughter, Mrs. Margie Buetow of Kings Beach and two grandchildren, Lt. Joellyn Ashton of the USAF, stationed in Florida, but who returned here for her grandfather's funeral, and David Ashton of Kings Beach.

The judge had been in ill health for some time but his death came as a sad shock to his legion of friends throughout the district who extend sincere sympathy to his family.

TRUCKEE PROPERTY OFFERED BY STATE

The state division of highways will accept bids at the Marysville district office until 10 a.m., March 10, for the purchase of one-third acre of excess land adjacent to the U.S. freeway in Truckee, district right of way officials announced today.

Located at the north end of Smith Street at Cora Street, the parcel is part of that acquired as right of way for freeway construction and is not needed for that purpose.

Minimum acceptable bid is $850. Minimum deposit regardless of bid, $269.40 which includes recording fee.

For detailed information contact Division of Highways, 703 B Street, Marysville; SHerwood 3-5421, extension 358.

GIRL SCOUTS COOKIE SALE OPENS MAR. 10

Girl Scouts will open their annual cookie sale March 10, with Mrs. Dan Horman of Donner Lake and Mrs. C. Coster of Tahoe City as co-chairmen for the event.

The preparations were made at the February 21 meeting of the Truckee Tahoe Neighborhood group of the Sierra Nevada Girl Scout council, held at the home of Mrs. B. Lyons at Tahoe City. Truckee members in attendance included Mrs. Horman, Mrs. C. Harris, Mrs. Jack Stowe, Mrs. B. Eckerman and Mrs. D. Brown.

Mrs. Ross Laugenour will be camp director of the day camp to be held the latter part of June. Mrs. Brown was appointed publicity director for the local area.

PAY RAISES GIVEN APPROVAL IN PLACER

AUBURN—Pay raises for the county auditor and district attorney have been recommended to the legislature by the board of supervisors.

Supervisors recommended the auditor's pay be boosted from $7,200 to $9,000 and the prosecutor's from $11,000 to $15,000.

The auditor's pay was increased last year by the supervisors by adding the $1,800 controller's position as part of the position.

Happy birthdays were recently observed by David Goldsmith and Steven Maynard.

Precipitation Here Only Half Normal Despite New Storm

The storm last Friday which brought five inches of snow in Truckee and added .44 of an inch of precipitation, failed to bring the normal precipitation to more than 3.67 inches for the month of February. The normal for the month is 4.98 inches, the U.S. Forest Service reported.

The total precipitation for this record dry winter now stands at 11.81 inches which is just about half the normal of 22.75 for the end of February.

Last year at this time the records showed the precipitation was only 65 per cent of normal, compared to 50 per cent for this season.

The high temperature for the week was a warm 54 degrees on Friday and the low was 26 on Saturday morning.

Kings Beach Wins Hoop Honor Here

(By JOHN FIRPO)

The Kings Beach Lions rolled past Mariers Marauders, 1-35, to take the Championship of the Truckee League basketball tournament in a game played Monday night at the local high school gymnasium.

The Telephone company took fourth place in the playoffs in the opening contest by downing the U-Save men, 46-34.

Craig Robinson and Ken Osburn led the victorious Lions to their second tournament win and tenth overall win. The Lions were undefeated in all regular league games as well as in the playoffs. Robinson and Osburn each netter the hoop for 16 points.

Marier's couldn't quite get into the game until the half when they narrowed the Kings Beach lead to 23-30. But a hot Lion third stanza did the damage and the Lake men went on to the Championship.

In the opener, The Tel-Cos turned the table on U-Save men. The phone five led 12-10, 21-20, 40-27, and 46-34. Dale Freeman topped all scorers with 17. Keith Reid led the opposing gas station men with 10.

Harry's Quality Meat's finished the tournament as the consolation winner and second place automatically went to Marier's Marauders.

POST MASTER WARNS AGAINST VANDALISM

Unless petty vandalism ceases at the Truckee post office immediately, the doors will be locked at 6 p.m.

This warning was issued by Postmaster Richard Higgins, who said that children continue to cause trouble after the office crew leaves in the evening by tampering with boxes, destroying the fountain pens and generally creating a nuisance.

"These youngsters apparently do not realize that they are committing a federal offense by their actions, but parents do and should not permit a continuation of the trouble," Higgins declared.

Eggs have been tossed through the package slot onto the floor of the office and recently a live water snake was deposited in the box which might easily have resulted in dire consequence.

TRUCKEE WORKER IS KILLED IN ACCIDENT

AUBURN—Robert Lee Simas, 31, returning Thursday to Sacramento for the weekend from his job in Truckee, drove his car into an abutment of the Gold Run overpass on Highway 40 and died instantly. The highway was dry, the weather was clear and the car left no skid marks as it crossed the highway to hit the abutment on the far side.

Simas leaves a wife. The body was moved to a Colfax mortuary where a post mortum examination will be held.

KENYON COMPLETES NAVY RESERVE TRIP

TREASURE ISLAND (FHTNO)—George W. Kenyon, Jr., seaman apprentice, USN, son of Mr. and Mrs. G. W. Kenyon, Sr., of Truckee, completed a two-week reserve training cruise, Jan. 20, while serving aboard the destroyer USS Laws, operating out of Treasure Island, San Francisco.

During the cruise, 79 reservists received refresher training in current Naval tactics and warfare.

Visits were made to San Diego, Calif., and Mazatlan, Mexico.

Fish Study At Lake Tahoe Progresses Under State Plan

Plants Of Various Species Being Studied Under Lunardi Plan

The first study of fish conditions at Lake Tahoe ever authorized by the legislature is well under way and progress is reported by W. T. Shannon, director of the department of fish and game.

The study came about through a resolution introduced in the 1959 legislature by Assemblyman Paul J. Lunardi and passed by both houses. It was followed up during the budget session by an appropriation of some $47,000.

In his report to Assemblyman Lunardi, Shannon said that the project began on July 1, 1960 and that the first steps toward activating the study consisted of the construction of six rearing ponds at San Joaquin hatchery to rear experimental lots of fish for Lake Tahoe, the procurement of equipment and the outfitting of a boat and other basic equipment and rehabilitation of the facilities at the Hatchery for the project.

Personnel authorized for study consists of two permanent biologists plus 18 months of seasonal aid during the current year. Staffing was completed and work begun at Lake Tahoe on August 1.

As a first step, 90,000 marked yearling rainbow trout were stocked in the lake in September for the purpose of comparing rates of return from fish planted in different types of habitat in the lake and

BUS COMPANY SUED FOR SQUAW MISHAP

RENO—Greyhound Corp. is being sued for $10,000 by the mother of a girl who claims the daughter was struck by a bus while crossing a street at Squaw Valley.

Ingeborg Pilkington is representing her daughter, Diana Hall, in the personal injury suit. The young girl claims she was injured at Squaw Valley on Feb. 23, 1960.

Besides $10,000 general damages, plaintiffs are asking medical and hospital expenses.

ROYAL WARE

A sweetmeat dish of irregular shape with gold trim, centered with figures is being display at Heller's Variety Store. The antique ware is Royal Vienna from Austria, manufactured from 1718 to 1744. An interesting side light is that the factory was purchased by Empress Maria Theresa and became royal property, until 1864 when the manufacture was discontined.

OPENS OFFICE

Lauren Russell, local agent for State Farm Insurance, this week announced the opening of an office in the Highland Office Center at Tahoe City to more effectively serve the patrons of the north Tahoe area. The local office will continue to be maintained at the Russell residence in Meadow Park.

Fund Appropriated For More Freeway In West Cisco Area

The California highway commission has allocated $7.3 million for construction of 5.2 miles of four-lane freeway on U.S. 40 between a mile west of Emigrant Gap and 2.8 miles west of Cisco.

The project will eliminate one of the few remaining gaps in continuous freeway and expressway on the highway between Sacramento and Nevada.

Only one section of highway remains unbudgeted along the route —a six-mile stretch from west of Cisco to Hampshire Rocks.

There are 94 miles of completed freeway or expressway on U.S. 40 between Sacramento and the state line, with another 20 miles under construction or budgeted.

Van Sickles Win In Idaho Dog Race

For the fourth consecutive year, 17-year-old Sandra Van Sickle last weekend captured the women's championship in the American Dog Derby held at Ashton, Idaho, and her champion father, Lloyd, returned home with third place in a field of ten teams.

Stan Rasmussen, another local dog driver, came in in fourth place and Donna Barnes, the fourth member of the local delegation, placed fourth in the women's race.

Daryl Dayton of St. Anthony, Idaho, was first in the men's two-day, 20-mile cotest and Ernest Harringfiel of Ashton was second. The winner covered the ten-mile course in 41 minutes.

This weekend Van Sickle and Rasmussen will compete in the annual races at Ebetts Pass, where last year Van Sickle captured first place. Accompanying the two men will be Steve Van Siskle who will enter a team in the junior races.

AWARDS PRESENTED AT CUB SCOUT MEET

Following serious study of the Cub Scout requirements, awards were presented February 27 at a combined supper and pack meeting held in the Tahoe Truckee high school to the following boys by Cub Scoutmaster Robert Leamon; the bear badge to Chris Kumle, Ray Wiser; wolf, Justus Spillner. Gold arrow points went to Ray Wiser, Bruce Leamon, Brian Smart, David Goldsmith and Justus Spillner. Bruce Leamon also received 2 silver arrow points.

Two-year pins were given Chris Kumle, Rod McCallen, Stan Greene, David Goldsmith. Ray and Chris Wiser and David Capel received their one-year pins.

A puppet show, written by Rod McCallen with the figures made by boys of his group was presented by Mrs. George Wurst's Den during the interesting program.

Boy Scouts Steven Schooley, Fosten Wilson and Steven Davis were presented with their Den Chief cards by Scoutmaster Jack Goldsmith.

ASSUMPTION GUILD HEARS TOUR TALK

At the Assumption Guild monthly meeting held Monday evening, Father Patrick O'Neill was the guest speaker and gave a most interesting talk on his recent tour of Europe. He also showed slides and pictures of various countries and points of interest he visited.

Plans were also discussed for the dinner dance to be held on April 8th in the Nevada Building at Squaw Valley. The affair will be sponsored by the three Guilds of the Catholic Churches of this area.

It promises to be a real gala affair and anyone interested in obtaining tickets please call LU 7-3419.

County Building In This Area Needed Report Indicates

$100,000 Structure Would Be Erected Here For Local Service

The report from Malcolm O. Mau and Wesley J. Barnum, architects and planners, employed by the Nevada County Board of Supervisors emphasizes the need for a county building in the Truckee area as well as improvements or expansion of the court house facilities.

Dealing with the local situation, the report reads:

"Another important problem the county has at present, and this will increase in the future, is the community of Truckee. This area, approximately 60 miles from the county seat, is developing quite rapidly and should continue to do so. The area has more in common with closer communities, and it is very important that the county establish a good branch facility in the area. This is necessary to show leadership for the future and offer a sound government center for orderly development."

The report goes on to recommend that the Truckee Donner branch building be located in the area between Truckee and the Gateway Shopping Center.

It is further indicated that the local structure which would include a sheriff's department, a jail and general offices would cost approximately $99,176.

The cost of the new court house addition was estimated at $642,780, bringing the total buildin gprogram cost to $879,956, exclusive of contingencies, architect's fees, etc.

The board of supervisors apparently favors the plan and are attempting to develop a comprehensive financing plan, Supervisor H. G. Loehr of Truckee explained. Several methods of finance are currently being studied.

Children At Tahoe Aid Dimes March

KINGS BEACH—Pearl Martin, polio drive chairman for the Ladies Auxiliary of VFW Post 7077, states that the children of North Tahoe contributed $189.74 to the 1961 March of Dimes.

Children at the Tahoe Lake school contributed $76.79 and those at the Kings Beach school $112.95.

The $5 prize offered by the auxiliary to each school for the largest donation was won by the fourth grade class of Mrs. Rauscher of Tahoe City and Mrs. Corbin's fourth grade class at Kings Beach.

Funds are still coming in and a final report will be made March 9 by the Post Chairman, Gene Antonson.

NEW MANAGER FOR LOCAL DISTRICT HERE

Mr. and Mrs. Francis Longo arrived this week from Driggs, Idaho and the later has taken over his new duties as manager for the Truckee Public Utility District, effective March 1.

Longo has been in utility work for the past 30 years and is thoroughly familiar with the new duties he is undertaking.

The newcomers have sold their home in Idaho and plan to buy a home here to make this their permanent residence. Longo was manager of a utility company in Idaho for many years and selected a new location when the company was purchased by the REA. He expressed himself as being pleased with the prospects here and sees a bright future for the community and the district.

STRIKES & SPARES

BY JOE WILMAN

LOOK OUT FOR LOFTING!

A dangerous man is "Louie the Lofter." He's the guy whose ball never touches the lane until the ball is 6 to 10 feet beyond the foul line.

Louie's trouble can come from any of these causes:

1. His thumb hole may be too small, or his thumb might be swollen from bowling. At any rate, his thumb sticks coming out of the hole and results in his loft.

2. Louie might be trying to be another "Powerhouse Paul" and overpower the pins with his speed. This often causes a bowler to hold on to the ball too long, and loft in letting go.

3. Louie may be trying to get too much "stuff" on the ball. Just as with extra speed, extra stuff often causes a bowler to hang on to the ball too long.

Regardless of what the cause, the result is always the same. The ball bounces a couple of times when it hits the lane, it skids further than normal and sometimes it never does begin to roll or hook.

The answer, of course, is to make sure your thumb hole is large enough. Slide your thumb in and out a few times on the bench as the picture shows. And make sure your speed is developed naturally with an easy arm swing. Putting stuff on the ball should not be a major effort either.

Lofting the ball like Louie does is a warning sign. You should heed it!

Beautiful Lake Tahoe can also be treacherous. Calm—smooth as glass one minute—and then waves, and wild. Who can testify better than Jim Hilgesen and son Jimmy of Tahoe Vista? Out fishing last Friday when th storm struck, capsizing their boat. Jimmy, 14, paddled in on an inner tube for help while father clung to the upturned boat. Bill Bagley and Les Webb rushed to the rescue, while Jim Hutcheson phoned the sheriff's office. Shack from the freezing water necessitated an overnight stay at the hospital for Jim but Jimmy was released.

Glad it was no worse. Lucky Fishermen!

DONNER SUMMIT NEWS

By LLOYD W. GAY

Summit Weather

With the seasonal snowfall of 160 inches lagging far behind normal for this time of year, the snowpack on the ground at Soda Springs was 50 inches on February 27. Slightly more than 8 inches of snow fell on February 24. The maximum temperature at Soda Springs reached 53 degrees on February 20, and the minimum dropped to 6 degrees above zero the morning of February 26.

Purchase Lodge

A news item gleaned from a recent ski magazine stated that Johnny and Frankie O'Rear have recently purchased the Norway Lodge in Aspen, Colorado. John was the manager of the Sugar Bowl last year.

Sugar Bowl Senior Team

Seventeen skiers have been selected to comprise the Sugar Bowl senior racing team, and will compete at various meets under the Sugar Bowl banner, announced Bob Arthur, Sugar Bowl Ski Club president. Heading up the girls' team is Starr Walton of Sacramento, Pat Nast and Diana Cookingham of San Francisco as Class A racers; Sharon Tettemer of Stanford, Class B. and Judy Trenholme, Class C. The men's team is made up of Buck Thys, Sacramento, and Dick Scibird of San Francisco as Class A racers; Earl Ruffa of Berkeley, as Class B; Bob Corner and Eric Friis of San Francisco, Kramer Herzog of San Rafael, Egon Hoyer of Berkeley; Dick Miller of Tahoe City; Dick Peterson of Sugar Bowl, and Walter Scopfer of Oakland as Class C racers, and Bob Arthur of San Francisco and Stan Walton of Sacramento as Veterans.

P. W. P. Visit

A delightful group makes a return trip to Soda Springs—the P. W. P. (Parents Without Partners) to spend a weekend in the snow. Seventy-five of this group who are P.W.P. bring their youngsters up for a day's frolic, headed by Ruth Perry of Sacramento, one of the organizers of this unique organization.

For Children

"It would be nice if some enterprising soul with a love in their heart for children would build a place for them," says Fran Couillard, "With the skiing industry growing and growing, and with more young people becoming 'snow conscious' — there isn't enough room for bus loads of kids that would like to come up each weekend. Catholic groups, Protestant groups, school groups, Job's Daughters, De Molays, Boy Scouts, Girl Scouts! Our desks are covered with requests from these youngsters. All of our big lodges have cocktail lounges. One can't confine the kids to lobbies where they look with longing at the gay, dancing crowds in the cocktail lounges and have nothing to do themselves but twiddle their thumbs. The ski resort operator knows that the youngsters of today are going to be his source of revenue tomorrow —but there is nothing he can do about it unless he wants to give up his year 'round source of revenue which is his liquor license. Sure wish someone would build a place for the kids! Think it would be the best rehabilitation act that someone could do!"

Writes of Summit

Jim Scott, of the Berkeley Gazette, and also feature writer, spent the weekend at Soda Springs Lodge. Jim is writing an article which might well be entitled the "Denizens of Donner Summit" in which he wishes to stress nothing but "characters." He spent the weekend interviewing the "old timers" on the mountain in which he included John Johansen, Edvi and Betty Aro, Lola and Kirby Schull, Jim Sherritt, Fran Couillard, Bud and Barbara Zorich, and many others.

Jim has written many interesting articles in the Denver Skiing Magazine and is well known for his portrayals of local and skiing "characters."

Clayton Party

Soda Springs Lodge had the honor of entertaining the "Clayton party" from San Francisco—who have hitherto spent several winter group vacations in Lassen National Park. The party—adults and children, included prominent doctors, attorneys, and busines people of San Francisco and environs.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: We are sorry that we missed the name of one of our mothers who helped with our Valentine party. We are grateful to Louise Gomez's mother for her help in furnishing the ice cream.

The following children have written the numbers correctly through the thirty row and kept the paper neat enough to be pinned on our work board: Tony Kydd, Renae Martin, Gayle Ferdinand, Louise Gomez, Jacquie Waller, Howard Manley, Stephie Copeland, Donna Rablin, Stephen Smith, Mark Ford, Mike McGlade, Debra Hansen and Kelly McQuarry.

FIRST AND SECOND: We have been studying moths and butterflies. We saw a beautiful film about the Monarch butterfly and how he turns from a caterpillar. Those who received 100 per cent in spelling are Gary Grow, Sharon Ford, Morse Burroughs, Darlene Androus, Nola Houlgate, Gary Paddock, Kenneth Grady, Nancy Rablin.

SECOND AND THIRD NEWS: Our rhythm band is doing very well with their lesson in musical dynamics. On cymbals are Homer Owens, Douglas Reid, Donna Horman, Gary Schumacher. On triangles are Catherine Craig, Jean King, Roxanne Brown, Benny Garcia, Leslie Smith, James McKinnon, Catherine Stellmacher, Robert Richards, Mike Gordon, Dennis Dent, Debra Eckerman, Billy Fordham, David Greene, Karen Silverii, LaVon Mayer, Susan Kenyon, Patsy Goldsmith, Dennis Walker, Maryanne Reichlin, and Gary Stone. Debbie Jellin plays the drum.

Best spellers this week are: Dennis Dent, Billy Fordham, David Greene, Douglas Reid, Gary Stone,, Joan Apple, Catherine Craig, Debra Eckerman, Margaret Holloway, Donna Horman, Deborah Jellin, Jean King, LaVon Mayer, and Susan Kenyon.

THIRD GRADE: Those who made top grades in both addition and subtraction this week were: Larry Doyle, Stephen Gardai, Ben King, Steven Rose, Dennis Weiler, Sharon Conine, Joy Frates, Eileen Hausauer, Pamela Laugenour, Diane Rose, Virginia Strobel, Debby Jo Wurst and Kay Snyder.

FOURTH AND FIFTH GRADES: Mark of success goes to Elizabeth and Tammie Richards and Karel Sauby.

Paragraphs written on George Washington were done by Jill Wurst, Shirley Davis, Terry Higgins, Ryan Houlgate, Maryann Atkinson, George Franceschini, Bernie Hall, Steve Schooley, Stan Greene, Karel Sauby, John Clark, and Barry Waters. Persons reading about George Washington were Wilbur Glenn and Gail Shackelford.

SIXTH GRADE: Our class officers are: Bill Pifer, president; Heidi Euer, vice-president; Susie Olano, secretary. Our monitors are Ronny Kyle, wastepaper basket; Dana Scanlon, windows; John Collier, blackboard; David Derting, sink.

People who received 100 per cent in Spelling are Shirley Constan, Beverly Holleman, Cam Houlgate, Susie Olano, Garee Lynn Stewart, Patsy Tapia, Lenny Vind, Gary Waters and Billy Waters.

EIGHTH GRADE — The eighth grade held an election on the basis of the United States Presidential elections. The two parties were the Republicans and the Democrats. Each party chose 3 electors. Greg Young, Tom Sumpter, and Glenn Lewis were Republicans and Brenda Blair, Norma Baxter and Curtis Funk were Democrats. The Republicans' candidates were Chuck Spillner, president and David Sorani, vice-president. Democratic candidates were: president, Pat Kelly and vice-president, David Watts. Popular vote was, Republicans, 20-12.

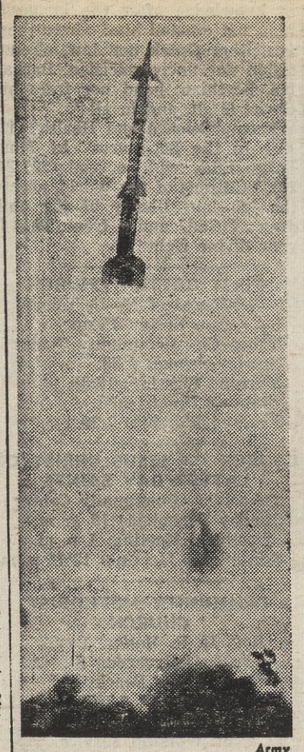

The eighth grade basketball team coached by Mr. Sauby, our principal, was the victor in another basketball game. This time at Nevada City Jr. High. The eighth grade, while playing in a Valley Tournament, trounced the Union Hills School 47-16.

The team travels to Nevada City again next Friday and will play either Hennessy or Colfax, who will have an elimination game, Thursday.

A hopeful message of universal freedom will be delivered in Christian Science churches Sunday in the Lesson-Sermon entitled "Man."
Man's rightful heritage of freedam will be brought out in the Scriptural selections which include Paul's advice to the Colossians (3-9-11): "Lie not one to another, seeing that ye have put off the old man with his deeds; and have put on the new man, which is renewed in knowledge after the image of him that created him: where there is neither Greek nor Jew, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but Christ is all, and in all."
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read (227:24-26): "Citizens of the World, accept the 'glorious liberty of the children of God,' and e free! This is your divine right."

DONNER DOINGS

By VIRGINIA O'BEAR

Everyone is talking about all of the excitement over the filming of "Route 66" at Squaw Valley. Many Donner residents took their children over this week so they could see the stars of this adventurous television show. I am sure most of us will be watching for this special program when it is shown within the next two months.

* * *

We have some travelers in our midst. Last week Dollie and Virgil spent a few days in Sacramento and by the time you read this, they should be home from a trip to Los Angeles. Dollie says they have to settle down after this trip.

* * *

Mr. and Mrs. William L. Knapp of Donner Lake will have an exciting trip in a few months as they will attend the wedding of their son John Edward, and Miss Valerie Ann Mitchell in San Francisco. The engagement was announced New Years Eve at the home of Valerie's parents, Mr. and Mrs. Fred L. Mitchell. It will be a formal church wedding on May 27th and the popular couple will make their home in San Francisco as both work at the Saint Francis Memorial Hospital. John is also attending Heald's Business College where he is majoring in business administration. Valerie attended Saint Dominic's Grammar School and was a graduate of Mercy High and the City College of San Francisco.

* * *

Miss Mary Ellen Brodie has been visiting at the home of her brother and sister-in-law, Dr. and Mrs. Douglas Brodie. She is a teacher in a San Francisco school and somehow managed to get chicken pox from some of her pupils. Mary Ellen is past the contagious stage and is enjoying her visit at Donner Lake, while recuperating.

* * *

Mr. and Mrs. George Lawry of Santa Rosa finally made a trip to Donner Lake this week after seven years of being invited by us. They brought along their four children. Nancy, Scott, Steve and Sam and they all had a wonderful time in the snow. It was the first time the children had ever been in snow and they really enjoyed it and look forward to another trip before the winter is over. The Lawry's and O'Bear's have been friends for many, many years so it was wonderful to have them visit us at Donner Lake.

* * *

Mr. and Mrs. Bill Siemson and son Jim will be weekend visitors this weekend from Santa Rosa. Bill is the famous champion who won many trophies for his boat racing with Gabby-C-411. Bill has retired from racing now and his sport is fishing with son Jim.

* * *

The members of the Ladies Auxiliary of the Donner Lake Volunteer Fire Department have been very busy with out of town business people who are taking advertising in the Donner Lake Regatta program. This week a beautiful gold nugget was received to be given as a prize during the regatta and was donated by Lolmaugh's Jewelry store in Grass Valley. The value of the nugget is $50, and it is a beauty! A letter was sent by Mr. Lolmaugh telling how much he and his wife enjoyed the regatta last year and wishing to donate this gift to a very hard working little community with its efficient fire department. The firemen will be very happy to read this and will be shown the nugget at their next meeting.

JIMMY HUEGA BACK IN SCHOOL AFTER SKI TOUR OF WORLD

BY FALVEY QUINN

SQUAW VALLEY — It's back to Tahoe-Truckee High for Jimmy—just returned from Aspen, Colorado after taking fourth place in Roch Cup downhill race last Sunday. He is Lake Forest's own Jimmy Heuga. Had a talk with father Pete at Tahoe City, to learn of Jimmy's extensive travels during the season.

Left the area in the middle of November for a European jaunt, stopping at Austria and France for a bit of international schussing. Jimmy has been on the circuit so much this winter, the only shot he had at the peaks of Squaw occurred on the weekend of Lincoln's birthday, when he had his first chance to see The Olympic Village Hotel without athletes.

The Jimmy Griffin Memorial races held at Winter Park, Colorado on the weekend of the 18th saw Jim take a third in the downhill only to be disqualified on a technicality. No stopping Jimmy though—he came through the next day with an undisputed 4th in the slalom. It looks as though this area will be well represented at Innsbruck in '64 if 17-year-old Jimmy keeps up his present progress. In the meantime, he'd better make some progress in his school work or he'll end up placing last in the June finals.

ROAD COMMISSIONER ADVISES AGAINST TAKING OVER ROAD

SOUTH TAHOE — Robert Downer, El Dorado County commissioner is reported in favor of recommending to the County Board of Supervisors that the county not accept any part of the upper Emerald Bay roadway into the county system, if the state division of highways adopts the plan to construct a lower route across the mouth of Emerald Bay.

According to Downer, the road around Emerald Bay should be maintained as a part of a state Emerald Bay Park system. Almost the entire length of the section of State Route 89 around the bay is in a state park or property owned by the U.S. forest service.

One hundred and seventy-five guests attended the Cub Scout Pinewood Derby and Pot Luck Dinner held at the Tahoe Lake School last Friday night. In charge of the evening's activities was Scoutmaster Ray Street, assisted by planning committee members Mary Louise Hill, Joyce Spitsen, Alice Hammer and Don Kaastrup.

The presentation of awards to forty-five Cub Scouts, four Den Chiefs and nine Den Mothers was the highlight of the evening's activities. The Den Mothers who recently completed a training leadership course and who were presented with Den Mother's pins are Alice Hammer, Louise Scoville, Pat Cross, Ruth Street, Mary Louise Hill, Naomi Plew, Sally Pyle, Joyce Spitsen and Barbara Ahrens. Den Chiefs receiving denners' stripes are Danny Nord, Rod Hill, Roger Michener, and Danny Sprague.

Of great interest to all the participants was the running of the Pinewood Derby with all Scouts entering racers which they had carved themselves. Tommy Hoff's entry swept the field for first place and a prize of an official Boy Scout camera; the racer of Ray Street, Jr., came in second for a prize of a crystal radio set kit; and a newcomer to the Cub Scouts, eight-year-old Jimmy Phelan, took third place and an official Scout flashlight wtih his entry. In a separate contest, Tommy Hoff again took first place with his gold racer for the "best-looking" model. Judging the latter contest was Scout Executive Bill Hill of Auburn.

Officials for the Derby were Charlie Cross and Bob Scoville, starters, Ray Kettenhofen and Linc Dempsey, stoppers, and Max Huff, judge. Ned Long assisted in puting up the ramps for the Derby.

Danny Nord and Rod Hill won honors with their racers in a contest held especially for the Den Chiefs.

Thirty-five archers from the Lake Tahoe Archers, the Modern Bowmen of Reno and the Washoe Bowmen competed in an indoor registered shoot held at the range in the Tahoe City fish hatchery last Sunday.

Winners in their classes were: Diane Gill (Tahoe), first in girls' intermediate; Dennis Rickey (Reno) first, and Norman Normen Lyons (Tahoe) second in boy's intermediate; Bernie Banta (Tahoe) first, Leah Cook (Tahoe) second, Laverne MacGuffery (Reno) third in the women's 125 class; J. R. Curry (Fallon) first, Eric Goodrich (Reno) second, and Lyle Morrie (Tahoe) third in the men's 150 class; Jack Holley (Tahoe) first, Don Lambert (Tahoe) second, and Al Peccechenino (Tahoe) third in the men's 225 class; Marvin Johnson (Tahoe) first, Favon Cook (Tahoe) second, and George Chavez (Reno) third in the men's 300 class; Ed Santos (Reno) first, Gary Knowles (Tahoe) second, and Darryl Rickel (Reno) third in the men's 375 class. Placing first in the men's 450 class was Tony Waddell (Tahoe and Reno).

The local archers will next compete at a shoot on March 12th in Reno.

An "'A" award was given to the local Cub Scout pack for their recent window display of Cub Scout activities. This display was made possible through the courtesy of Jack Starratt of the Village store. The pack was given a certificate for this highest award which will remain in the permanent custody of the local Scouts.

Judging the display was the Rev. George Symons of Truckee.

* * *

Pat Cross and Chick McBride were co-hostesses to the Monday Night Bridge Club members at the McBride residence in Tahoe City, Monday night. Top scorer for the evening was Dorothy McCaskie.

* * *

Four Lake Tahoe archers won first and second places in a shoot sponsored by the Modern Bowmen in Reno last month. Winning first places were Leah Cook and Dr. Alan Sklar while second places were won by David Cook and Favon Cook in their respective classes.

The Lake Tahoe Archers are affiliated with both the Nevada Bowhunters and the California Bowhunters and plan on entering a number of competitions this season as well as working up an exhibition team.

The Lake Tahoe branch of the Sierra Nevada Red Cross Chapter will hold its next meeting on Wednesday, March 15th, at the Tahoe Community Center at 7:30 p.m. Mrs. Marie Henry, local director, urges all people of the community who are interested in water safety and other Red Cross matters to attend this meeting.

VEHICLES INCREASE IN NEVADA COUNTY

SACRAMENTO (CNS) — The department of motor vehicles announced the number of vehicles registered in Nevada county increased to 13,439 during 1960.

Total vehicle registration in the county at the end of 1959 was 12,752.

There were 9,392 automobiles, 2,600 trucks, 1,384 trailers and 63 motor cycles registered in the county from January 1 through December 31, 1960.

Statewide registration of vehicles increased 489,824 to 8,681,162.

Automobile registration in the state increased 379,438 to 6,751,313. Truck registration increased 54,668 to 982,821, trailer registration increased 41,806 to 759,571, and motor cycle registration increased 6,812 to 75,590.

IMPROVEMNENT AT CEDARS PROPOSED

TAHOMA — The Tahoe Cedars Property Owners have for some time planned to improve the beach facilities, and private road to the beach. A group of interested property owners met recently at the home of Albert S. Anaclerio, Lafayette, and formulated plans to build a concrete launching ramp, install sanitary facilities, and to discuss plans for other improvements.

The group has contacted other property owners, and much enthusiasm has been created towards this project. Donations have been received, and greatly appreciated. Anaclerio spokesman for the group, met with Louis Ceila, president of the Tahoe Cedars Improvement Association, who expressed approval of the plan.

Anaclerio expressed the need for this work now as an important step for betterment, and necessary for the increasing growth of the Tahoe Cedars Tract. The beach and road have been and will be strictly private.

Family passes will be issued to all the summer residents. Further plans will be discussed at the summer meetings. The cooperation of all property owners is asked to help out on this project. Any one wanting further information can contact Anaclerio at 3559 Herman Drive, Lafayette, California.

BILL WOULD BRING BACK OLD 502 CODE

SACRAMENTO — (CNS) — A drunk is a drunk is a drunk.

That's about the way it would be under a bill by Assemblyman John A. O'Connell (D-San Francisco).

Just about the time Californians had been watching such TV thrillers as Dragnet, The Lineup, and a few others long enough to know that a "502" was the penal code section dealing with drunk driving, the legislature had to go and recodify the motor vehicle code.

Thus a drunk driving case, rather than the handy 502, technically became a 23102. And that just wouldn't go on television. Just imagine:

"Calling Car 43. Proceed to 11th and Elm and pick up a twenty-three - thousand, one - hundred-two."

So O'Connell's bill, AB1946, would permit Section 23102 of the vehicle code to be cited as Section 502.

The first Memorial Day 500-mile race at Indianapolis, Indiana was held in 1911.

COUNTY PLANNING IS DISCUSSED IN MEET

At the special monthly meeting of the Nevada County Planning Commission held last week in Nevada City, Charles Swanson and P. B. Van Vliet were present, representing the Truckee - Donner Chamber of Commerce.

These monthly meetings are held by the commission with Dick Wilkenson of Redwood City, a planning consultant hired by the board of supervisors to acquaint the commission members with the manner in which to proceed to plan for the future of Nevada County.

The board of supervisors in the fall of 1959 directed and authorized the planning commission to prepare and promulgate rules and regulations relative to subdivisions in the unincorporated areas of the County.

Nevada County with its diversity of climate and terrain, offers many problems in planning, and before proceeding with the instructions given it by the board of supervisors the commission members felt there should be some overall study made relative to the best land uses that could be delayed.

A series of monthly meetings have been dealing with planning organization, desirable goals and objectives, and the standard for roads in new subdivisions and throughout the county.

This meeting dealt with the economic base principal at it relates to planning.

Wilkenson stressed the desireability of industry to stabilize the tax base and some of the problems involved in building up a bedroom of economy in the county. He quoted statistics of the state department of employment for the year 1958, showing that there were 200 employed people in the western end of the county, of which 30.3 per cent were employed in wholesale and retail trade, 16.0 in general services, 14.2 in manufacturing and the balance in other types of work. It was further further stated that 17.0 per cent of the employed worked outside Nevada County.

It was also shown in Wilkenson's report as taken from the files of the county assesors, for the year 1960-61 that there was an assessed valuation of all property inside the cities of Grass Valley and Nevada City of $8,507,840, and outside the cities in the balance of the county, a total of $19,777.860. Land pays 25 per cent, improvements 60 per cent and personal property 15 per cent of the total taxes.

The results show that the rural areas of the county pays more property tax than all the three urbanized areas combined.

Besides the commission members and staff there were about twenty citizens from various parts of the county who took part in the discussion.

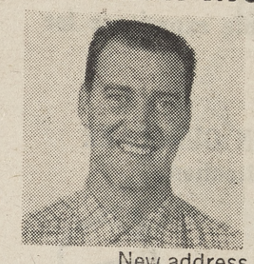

H. E. Branagh, Tahoe National Forest Supervisor, stated there were 139,000 acres of U. S. Forest land in Nevada County and that approximately 80 per cent of the land along highway 40 in Nevada County was in the Tahoe National Forest. He ofered the commission his fullest cooperation in planning for the best interests of the county

SCHOOL NEWS

(Continued from Page 3)

Gayle Petzoldt.

All the children are working very hard on the alphabet. Some of those doing good work are Dorothy McDonald, Thelma Ferguson, David Lausche and Kim Wright.

We had a birthday party for Michael Kornazewich. His mother brought cupcakes and favors. We all had a good time.

FIRST AND SECOND GRADE COMBINATION—Mrs. Horn: Children getting 100 percent in spelling this week are: Susan Astle, Debra Bell, Christine Bitler, David Briscoe, Eddie Gurney, Ricky Prouty, Cheryl Hane, Stephen Burghardt, Cindy Lance, Cyd Moore, and Lowell Loehnert and Steve Wright.

Jeff Bracy and Jeanette Holler got 100 per cent on their arithmetic speed test.

SECOND GRADE — Mrs. Wing: The following children participated in the skiing program this week: Billy Brehler, Nancy Tiller, Lynann Fugazi, Craig Watson, Ronnie Sergi, Wynn Manning, Jimmie Black, Mia Melvyn, Mark Cole, Chaulky Hooper, Becky Anderson, and Mike Holley.

With the money we received from the March of Dimes contest, we purchased "The Real Mother Goose" for our classroom library.

THIRD GRADE—Mrs. Ferrari: Vicki Mollhagen is going to tell us about her trip and stay in Hawaii. She has been ill this week so we will postpone this until next week.

We had 27 perfect spellers on our last unit. Others who showed improvement over the preceding lesson were Lyle Draney and Carolyn Sprankle.

FOURTH GRADE—Mrs. Corbin: The following people in our room went sking last week: Thomas Gregg, Juan Cole, Shelley Wilson, Stephen Holley, Thomas Hull, Ellen Dennis, Debbie Helgisen, Sandra Martin, Candy Ehlers, Sharon Bell, Madelyn Mullis, and Randy Hiatt.

Lee Batt has been in the hospital. We are sorry to hear he has been ill again.

Gregg Gunkel made a very nice carretta to go with his oxen he is making.

SEVENTH GRADE — Mrs. Schultz: In order to do problems in percentage more easily we are working to learn our fraction and per cent equivalents. On our first quiz Darryl Cernusak, Howard Price, Phil Thompson, Larry Tiller, Mike Thomas, Bob Mondino, Dale DeSylva, and Bruce Templeton have already shown that they have mastered this skill.

Bill Hane, Mike Reed, and Bruce Templeton tied for the honor of receiving the highest grade on our science test.

DONNER TRAIL NEWS

PRIMARY GRADES—In science we have been learning about how the earth is always spinning. The sun stays in one spot and the earth turns, making day and night.

In spelling this week these people had perfect scores: second grade—Bill Mason, Bonnie Hampton; third grade—Mary Griffith.

Esther Jaurequi, one of our third graders, is in the Tahoe Forest Hospital with a serious injury to her elbow. We wish her a speedly recovery and hope she can return to school soon.

THIRD AND SIXTH GRADES: The sixth grade had a science test this past week. Those receiving A's were Jane Allyn and Barry Cardwell.

The 100 per cent in spelling this week included Janice Kelly, Kim Loder, Kristin Madden, Gary Stivers, Susan Jang, Dwight Beery, Lynn Aro, Shelia Rosamond, Marcia Sult, Debbie Zorich, Jane Allyn, Terry Besold, Bill Rosamond and Ricky Smith.

The dance this last Friday was well attended, in spite of the storm, by about 24 young people from on the summit and Mr. Wade Hampton.

TAHOE LAKE SCHOOL

FIRST, SECOND, AND THIRD COMBINATION: We have two new students in our room. Peter Sutton has joined the third grade and Corleen Hepner the frist.

Third graders, Leslie Massey, Cathy Menges and Gary Mullen received 100's in spelling this week.

SECOND GRADE: Sherry Freeland, David Thompson, Carl Ruhkala, Bill Moyer, Jackie Ghormley, Bonnie Nyberg, Yvonne Baker, Scotty Shirley, Carol Pelletier and Kevin Kehoe wrote very nice stories, and illustrated each, about a muse named Squeaker. This was written to accompany their reading. A compliment is due Suzan Cannon, as she has made the best progress in learning to write.

THIRD GRADE: The newly elected officers in Mrs. Long's third grade are: James Long, president; Laura Hoxsie, vice president; Mark Rivard and Christina Keehn are team captains; Carl Larson and Karla Meixner are host and hostess. Debbie Stark and Doug Lindsey will remain dish checkers for another term.

FOURTH GRADE: Children receiving hundreds in the weekly spelling test were: Meredith LaTour, Mark Calhoun, Denise Kimball, Camille Shirley, Eric Poulsen, Cheryl Bechdolt, Shirley Gratner, Mark Sullivan, Greg Pyle, Kitty Wertz, Richard Burchett, Mike Alves, Alan Stolfich, and LeRoy Hammer.

FIFTH GRADE: A wireless demonstration was given during science by Ernie Marier, who told some of the history of wireless in relation to aviation today.

The entire class visited the telephone office in Tahoe City and wrote wonderful reports on what they had learned. Outstanding reports were done by Dianne McBride, Judy Detzler, and Tommy Hoff.

SIXTH GRADE: A's in social studies test last week were made by: Jon Caulkett, Dick Pomin, Tom Stephani, Terry Stimson, Ralph Stromgren, Scott Wall, Kathy Coster, Gretchen Lawlor, and Holly Wall.

SEVENTH GRADE — Mr. Hawk: Basketball dribbling time skill tests were given Thursday. Those with the best times were: 11 seconds, Jerry Jorgensen; 14 seconds, Brian Mullen; 17 seconds, Linda Hammer, Kai Smith, Kathy Wilson, Julie Bechdolt and Alice Calhoun.

SEVENTH GRADE—(Mr. Steinhauser: The class is working hard but is having troubles with arithmetic. We are working with more difficult word problems. Top, or B students include: Jill Lyons, Gary Phillips, Ann Skerry, Benny Keechler, Kirsten Hansen, and Doug Goeta.

Only eight received A's in this week's first or trial spelling test. They are: Cynthia Chandler, Becky Gorgias, Benny Keechler, Jeff Lodi, Jill Lyons, Cookie Myers, Jeff Sutton and Kirstin Hansen.

EIGHTH GRADE: New officers for the second semester were chosen Friday. They are as follows: class president, Larry Lindsay; vice-president, Greg Moore; secretary, Harlene Hopkins; treasurer, Lisa Davis.

The Northern Nevada Zone Tournament will begin at the University of Nevada gym on Thursday. Tahoe Truckee High School will play Yerington today at 2:30 and students will be dismissed early to attend the game. If Tahoe Truckee wins Thursday, we will play again on Friday evening at 8 o'clock. Ten members who were selected to play were: Reg Smart, Tom Alameda, Bill Notley, Bennie Ferrari, John Holley, Doug Baxter, Dave Decker, Charles Glenn, Terry Walker, and Jim Moore. Lets everyone support the Wolverines!

The Senior Slave Day was held on Monday at noon and seniors were auctioned and served as slaves on Tuesday. The Senior class made $30. Those seniors bringing the highest price were: Joann Pomin, $3.10, Dan Chandler, $3.50, Bill Notley, $1.80, Tom Alameda, $2.40, Randy Pomin, $2.75, and Reg Smart, $3.50.

A dance was sponsored by the dance band last Saturday evening in the cafeteria. The theme was "Beneath the Sea." Glen Patrick was the chairman.

The freshman basketball team, coached by Mr. Gratto, lost to Kings Beach, 24-22, Monday afternoon.

Tahoe Truckee ski team placed second at the Alpine meet at Sugar Bowl last weekend, taking the California-Nevada Interscholastic Ski championship. Congratulations.

Tips on Touring

By Carol Lane
Women's Travel Authority

Get The Picture?

If you're going on a touring vacation or week-end trip, take your camera to record the fun.

When you do, bear these tips in mind:

Have your camera checked before you leave. Repairs in route waste time and may rob you of good shots.

Keep the camera within easy reach—not packed away. Be prepared to shoot quickly. *Always* have film in the camera. When you finish one roll, load another immediately. If you switch from one speed film to another, or from black-and-white to color, write the kind of film on a piece of adhesive tape and stick it on the back of the camera.

Carry a small notebook and make notes about the photos you take. Identify people, places and things—and mark the date. Number your rolls (with pencil on the cardboard container) and match these numbers with your notes. Tell the person who processes your film to keep the negatives with the proper container. When you paste the pictures in an album later on, you'll welcome this identifying material.

Don't shy away from taking pictures in dim light. Both black-and-white and color films now come in extremely fast emulsions. Ask your photo dealer about them; then follow the directions inside the package.

DIVIDEND

SAN FRANCISCO—At a meeting held today, February 24, 1961, the Board of Directors of Fibreboard Paper Products Corporation declared a quarterly cash dividend of 25 cents per share on its common stock payable March 31, 1961, to stockholders of record at the close of business March 10, 1961.

SQUAW VALLEY PARK CANNOT CHARGE FEE

The state park commission was stymied last week in an effort to make Squaw Valley State Park more self-supporting when it learned it can't charge a use fee.

The division of beaches and parks advised the commission that the contract between the California Olympic Commission and Alex Cushing's Squaw Valley Development Co. prohibits admission fees.

State land is intermixed with holdings of Cushing, the initial developer of Squaw Valley and promoter of the valley as the site of the 1960 Olympic Winter Games.

The commission was told that Squaw Valley takes in about one-fourth of its operating costs—almost as much as most state parks. All other parks charge a use fee.

Income at the park was $35,889 for the last six months of 1960.

Park officials said, however, that the hardest period is over and estimated the park would earn about $100,000 during the next year. Operating expenses were estimated at $400,000.

ACCUSED THIEF IS NABBED BY OFFICERS

John Junior Charlton of Sacramento is reported by the police to have admitted he staged a $30 robbery early Wednesday in a service station at 4801 Stockton Boulevard.

Charlton, arrested at the east foot of Donner Grade Friday, was returned to Sacramento by Detectives William Oakes and Walter Ford and booked in the city jail on a charge of robbery.

He told them he staged the robbery after drinking and gambling his money away. He drove to Reno, afterward, he related, and lost the holdup loot there gambling.

STATE EMPLOYES ARE HONORED AT DINNER

A joint 25-year award dinner for five state division of highways district employees, retirement honors for three, and a going-away tribute for another, was attended by 150 friends and associates Thursday night in The Rib in Yuba City.

Presented with memberships in the Highways Quarter Century Club were Gilbert Mulcahy, district right of way agent, and Ray Rusk, head of the district accounting and purchasing department, both of Yuba City, and both former residents of Truckee, and R. J. McLeod, associate highway electrical engineer, of Marysville.

Also receiving the 25-year recognition were D. W. Roberts of the Sierraville maintenance station, and L. G. Humphreys of the Nevada City station.

The meeting was called to order at 10:02 A.M. and it was noted that Supervisor Hennessey was absent and all other members of the Board were present.

The minutes of the previous meeting were read to the Board by the Clerk and a motion was made by Supervisor Bishop, duly seconded and passed unanimously, approving the minutes as read.

The County Auditor's report was presented to the Board and a motion was made by Supervisor Robinson, duly seconded and passed unanimously, approving the report as presented.

The Auditor presented the Board with the Claims Register showing thereon the claims that have been paid and a motion was made by Supervisor Bishop, duly seconded and passed unanimously, authorizing the Chairman to ratify the payments made .

FUND—Veterans Fund, numbers 65-68, amount $98.35.

FUND—General Fund numbers 2715-2753; amount $2,302.71.

FUND—Hospital Fund numbers 614-648; amount $4,587.44.

Mr. Charles Kitts, County Assessor, appeared before the Board and requested the Board give some consideration toward the employment of an Auditor-Appraiser in the Assessor's office on an extra-help basis and after a short discussion, the matter was deferred until the afternoon session.

The Auditor presented a claim signed by the Public Guardian in the amount of $670.39 which represented an amount of money erroneously paid by the Guardian into the County Hospital Fund. A motion was made by Supervisor Ricker, duly seconded and passed unanimously, authorizing and directing the County Auditor to draw his warrant payable to the Public Guardian.

The Clerk read to the Board a communication from the County Supervisors Association recommending that the Board adopt a personnel policy and the Board took no action upon the request.

Mr. W. Pendergraft representing the Nevada County Builders, appeared before the Board about the possibility of enacting a uniform building code within the county and the matter was referred to the Planning Commission.

Supervisor Hennessy appeared in the Board room at 11:16 A.M.

The Assistant Director of Civil Defense appeared before the Board in regards to participation under Public Law 85-606 and gave the reasons why he felt such participation was necessary.

A motion was made by Supervisor Bishop, duly seconded, directing the District Attorney to draw an ordinance amending the present Salary Ordinance to include the position of Assistant Director of Civil Defense at a monthly salary of $350 per month. Upon a roll call ballot, a unanimous vote was recorded.

At the request of the Assistant Director of the Disaster Office and upon a motion by Supervisor Ricker, duly seconded, the County Disaster Office was authorized to employ an intermediate clerk-typist effective March 1, 1961. Upon a roll call ballot, a unanimous vote was recorded.

The Auditor presented the Board with proposed Resolution No. 61-8, recommending an amendment to the Government Code in re Auditor's salary, and a motion was made by Supervisor Robinson, duly seconded, to adopt the resoluton as presented. Upon a roll call ballot, a unanimous vote was recorded.

At the request of the Chairman, the Clerk presented the Board with proposed Resolution No. 61-9, a resolution establishing the position of County Controller, and a motion was made by Supervisor Hennessy, duly seconded, to adopt the resolution. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, no.
Supervisor Second District, aye.
Supervisor Third District, aye.
Supervisor Fourth District, no.
Supervisor Fifth District, no.
The resolution was defeated.

The Clerk presented the Board with proposed Resolution No. 61-9, a resolution in favor of ACA No. 4, and a motion was made by Supervisor Robinson, duly seconded to adopt the resolution. Upon a roll call ballot, a unanimous vote was recorded.

The County Clerk then presented the Board with proposed Ordinance No. 243, an ordinance declaring the Ciunty Surveyor shall be an appointive officer, and a motion was made by Supervisor Bishop, duly seconded, to adopt Ordinance No. 243. Upon a roll call ballot, a unanimous vote was recorded.

At this time the Chairman announced that the Board would adjourn for lunch to reconvene at 1:30 P.M.

Afternoon Session

The Board reconvened at 1:30 P.M. and it was noted that all members of the Board were present.

The Clerk presented the Board with proposed Ordinance No. 244, an ordinance amending the Salary Ordinance of the County, and a motion was made by Supervisor Bishop, duly seconded, to adopt Ordinance No. 244. Upon a roll call ballot, a unanimous vote was recorded.

Mr. Malcom Mau, A.I.A., appeared before the Board and rendered a full architectural report on the proposed courthouse annex and the proposed county building at Truckee. The discussion included the presentation of preliminary plans and reports from the architectural firm. After a discussion, the Board deferred any action on the report and thanked Mr. Mau for his attendance and notified the architect that they would be in contact with him at a later date.

Mr. Robert K. Graham, Road Commissioner, appeared before the Board and entered into a discussion on a surplus rock crusher in North Bloomfield. A motion was made by Supervisor Robinson, duly seconded and passed unanimously, declaring the rock crusher as surplus and no longer of any use to the county and authorizing the Purchasing Agent to advertise the same for sale.

At the request of the Road Commissioner and upon a motion made by Supervisor Hennessy, duly seconded and passed unanimously, the Commissioner was authorized to hire an additional permanent employee Equipment Operator II classification at Range 21, Step A, effective March 1, 1961.

A motion was made by Supervisor Bishop, duly seconded and passed unanimously, directing the Clerk to issue a minute order to the Road Commissioner, directing said Road Commissioner to complete the airport road.

A motion was made by Supervisor Hennessy, seconded by Supervisor Ricker and passed unanimously, directing the Clerk to issue a minute order to the Road Commissioner, directing said Road Commissioner to place a culvert on Cottage Street between the State Highway and the City Limits.

Mr. Adolph Moskovitz, Attorney at Law representing the county before the Interstate Compact Commission, appeared before the Board with Mr. Cecil Edmunds and a discussion was entered into on positive stream-flow maintenance of the Truckee River. Mr. Edmunds spoke briefly to the Board in favor of such a definite policy and Supervisor Loehr stated that he felt there was a definite need of a stream-flow policy written into the contract.

At this time a discussion ensued as to whether or not the water policy matter should be properly brought before the Board of Supervisors or the County Water Agency and the Chairman announced that the Board of Supervisors would at this time adjourn to meet again on February 28 at 2:00 P.M. thereof.

/s/ H. G. LOEHR
Chairman of the Board.

Attest:
/s/ JOHN T. TRAUNER
Clerk of the Board.

LENT MAKES US FREE

by Mary Perkins Ryan, Author of BEGINNING AT HOME and THE SPIRIT OF LENT

NOBODY today has any difficulty in appreciating, at least to some degree, what slavery means. We have read accounts of what it was to live under Nazi rule, of what it is like to live in a communist world. We have all felt something of the horror of enslavement to powers determined to change the very nature of man and to do away with the dignity of freedom that God gave to each human person.

Ryan

But if anyone, even Our Lord, were to tell us that we ourselves are slaves, we would answer indignantly that we are free-born Americans—just as the Jews said, when He told them that His truth would make them free, "We are children of Abraham and have never been in bondage to any man!"

YET IF we really look at people ruled and driven by desires for pleasure, for excitement, for money, for power, we see that they are slaves in the truest sense. And this is true to some degree of all of us, insofar as we "cannot help" our inpatience, our unkindness, our self-indulgence.

For the fall of Adam and Eve made the whole human race slaves to sin and selfishness. It is only by the Redemption which Christ brings us that we can be free—free to love God and serve Him, free to love and serve one another, free to be truly happy.

When we were baptized, Christ brought us from slavery to freedom. But, like the Israelites freed from their slavery, we still have a hankering for "the flesh-pots of Egypt," for the seeming comforts of life of self-indulgence. We need to appreciate our freedom.

We need to learn how to live the free life of God's children. We need to be continually delivered from the attacks of our spiritual enemies, who try to recapture us for the kingdom of darkness.

DURING LENT our efforts to pray and fast and give alms show what slaves we are to their opposites—to unawareness of God, to self-indulgence, to self-seeking. Thus we see how greatly we need Christ.

In the Old Testament we read of God's great deliverances of His people from slavery and exile and conquest, from sickness and death. In the Gospels we discover how we must cooperate with this deliverance.

OUR LORD solemnly warns us that we cannot simply be freed from evil; we must be filled with His life, trying to lead it with patient perseverance, humility, and trust.

Let us take part in Lent, then, so wholeheartedly that we shall renounce evil with all our strength. And on Easter Sunday morning we shall rise to a new life, free "with the freedom wherewith Christ has made us free."

BILL WOULD CHANGE LIQUOR LICENSING

SACRAMENTO — (CNS) — A plan to remove a 22-year "freeze" on issuance of liquor licenses—which could mean a total of 11 new licenses in Nevada County, was announced by the state department of alcoholic beverage control.

A bill to accomplish this already has been introduced in the legislature by Sen. Hugh M. Burns, Fresno, at the request of Governor Edmund G. Brown.

The measure provides for a change in the present quota system which permits one on-sale or one off-sale general ilquor license for each 1,000 persons. Included in the present license county also are beer and wine licenses. Under the Burns bill, the beer and wine licenses would not be counted in the quota, but the quota would be changed to one of each type of license for each 2,000 persons.

The licenses, where population increases would permit them under the new quota, could be original licenses issued by the department or could be existing licenses transferred in from counties where there are too many licenses.

However, in no case could the number of new licenses, or licenses transferred from other counties, exceed more than 10 per cent of the existing licenses in a county. Only exception would be counties with less than 50 licenses, where five new licenses would be permitted.

Under the plan, Nevada County, with a population of 20,911 under the 1960 census, would be entitled to five off-sale licenses for the first year, either by new issuance or transfer. It would be entitled to six on-sale licenses, either by new issuance or inter-county transfer.

Accepts Position

Guerdon Ellis, one-time supervisor of the Tahoe National Forest and prior to his retirement, supervisor of the El Dorado National Forest, has accepted an appointment as manager of the Humboldt Bay Municipal Water District in Humboldt County effective March first.

Ellis has been making his home at Placerville since his retirement.

LARGE SUM NEEDED TO OPERATE SQUAW

SACRAMENTO (CNS) — The division of beaches and parks has informed the state park commission it will cost approximately $301,000 to operate Squaw Valley State Park in 1961.

A total of $401,000 is budgeted for operation of the area but revenues of $100,000 are expected.

The park produced $35,889 from all sources from July through December last year. Attendance at the park from April 1 through December was 604,857 a division spokesman said.

Charles A. DeTurk, chief of the division of beaches and parks, said a study had been made on the feasibility of charging a fee to enter the park but found contracts prohibit the charging of fees.

DeTurk said agreements with the Squaw Valley Development Company and the Olympic Commission prohibit the charging of fees. He also said the state offers no facilities in the park for which to charge.

Park commissioner Karl Wray asked if these agreements were contemplated when the contracts were signed.

'When these agreements were signed nobody contemplated anything," DeTurk said.

BUILDING BURNED

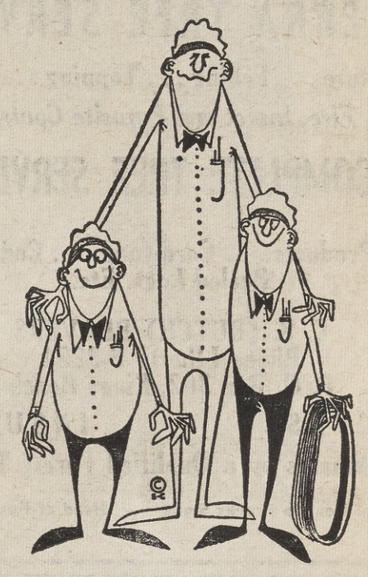

NEVADA CITY—A fire in the Elks Club building caused damage estimated at $200,000 Sunday morn-morning. The printing shop of Wetherall and Berliner on the lower floor of the building was badly damaged and the upper floors gutted by the flames.

One hundred fifty years ago Mexico, then held by Spain, included present-day California, New Mexico and Arizona.

This would be a Luxury
to millions overseas
The problem of where the simplest food is coming from dominates the lives of thousands upon thousands of people overseas. One potato, a loaf of bread, a bottle of milk—these basic foods we take for granted would be a real luxury to them.
These people overseas are of all ages, races, colors. And with many needs. They are victims of disaster—civil strife, displacement, earthquake, poverty—flood, famine, war. The problem of food is but one. Clothing and shelter are others. So is the lack of equipment to build lives anew.
How can you help these people? Give generous support to the overseas aid program of *your* religious faith. These programs provide help in many ways—food, tools, clothing, homes, jobs, farm machinery, education and technical training.
You name it and America's religious overseas organizations are making it available. In fact, our country's church-sponsored programs provide more than 80 per cent of all voluntary American overseas relief. *When your religious faith makes its appeal this year ...remember why you are being asked to give... and give generously!*

THOMAS TANNER IN EUROPEAN TRAINING

4TH ARM'D DIV., GERMANY (AHTNC) — Army PFC. Thomas N. Tanner, son of Mr. and Mrs. William H. Tanner, Tahoe City, Calif., participated with other personnel from the 4th Armored Division in Exercise Winter Shield II at the Grafenwohr - Hohenfels training area in Germany. The exercise ended Feb. 8.

Winter Shield, an annual Seventh U.S. Army winter field training maneuver, involved 60,000 U.S. Army, German and French troops and marked the highpoint of a year's training for units in NATO's "Pyramid of Power."

Tanner, a tank crewman in Company A of the division's 66th Armor in Illesheim, entered the Army last March, completed basic training at Fort Ord, Calif., and arrived overseas last August.

The 19-year-old soldier attended Tahoe Truckee High School.

DANCES CONTINUING FOR SQUAW VALLEY

SQUAW VALLEY — "Under 21" dance features two groups — on weekend last, the Nomads of Lodi, starring Lonnie Barber, supplied the dance music at The Nevada Center Dance Hall, backed up during intermissions by The Stringbeans from Woodside. If there's a song the Kingston Trio records, these boys have it down pat in short order. This week's dance will have another group that appeared on the Bill Rase TV show in Sacramento.

Last week at The Olympic Village "Scotty's Mystery Five played both Friday and Saturday night dances for the adult crowd on the main floor—backed up by Jeff on the bongos and a new drum talent.

ACCIDENTS

(Continued From Page 1)

a headon collision with another car driven by Paul C. Weiser, 24, of Oakland at Carnelian Bay. Weiser told investigating officers that he was attempting to pass another car, saw the Lewis vehicle approaching but was unable to get back into the right lane. Meiser was cited for not having his vehicle under control.

Norman Birmingham, 41, and Jane Smith, 43, both of Sacramento were injured Saturday at 1:10 a.m. when the car driven by the former crashed into the rear of a parked car operated by Tom Camack of Paso Robles near the Boca off-ramp. Camack had stopped, according to the highway patrol to install skid chains. Birmingham was cited for exceeding a safe speed limit.

Bus Involved

One passenger on a Greyhound bus driven by William Ostic of Berkeley, Joyce Gamma, 32, San Francisco, and Frank B. Baker, 49, Placer County building inspector, were injured Saturday at 8:15 a.m., when the car driven by Baker and the bus collided at Carnelian Bay.

George Bacus, 6, Tahoe Vista, suffered only minor injuries when his pickup truck ran off the highway in Tahoe Vista Sunday at 11:15 a.m. and was wrecked.

VETERANS AUXILIARY AT TAHOE IS ACTIVE

KINGS BEACH — The Ladiies Auxiliary to VFW Post No. 7077 at Lake Tahoe met February 23 at the home of Ruby Clackett with President Pearl Martin presiding.

A polio fund drive report was given by Mrs. Martin and the final totals of the money collected will be given at the next meeting. A deadline of March 8 was set for all members to turn in their money.

A discussion of the new cancer insurance made available to all members through national headquarters, was held. The insurance is to supplement the present cancer program already offered.

The next meeting will be held March 9 at the home of Louise Walter.

The auxiliary held a bingo party at the veterans' hospital in Reno on Washington's birthday and four games were played with 168 patients participating. Canteen books were presented to the winners.

Members were surprised to find Past Department Commander Joe Feldstein and Elmer Kerner among the patients. Both will be hospitalized for some time.

One hundred and fifty pads, puzzles and novels were donated by the auxiliary and a special thanks in behalf of the recreation director, Skip Wells and the auxiliary to Mac McCoskey of Crystal Bay Club for the case of playing cards he donated.

Ice cream and cake were served following the games. Attending were Ethel Antonson, Vera Woods, May Murray, Dot King, Pearl Moore and assisted by Bess Feldstein of Reno.

WATER PROGRAM IN THIS AREA OUTLINED

Adolph Moskovich, Sacramento water attorney, retained by the Nevada County Board of Supervisors to represent them in the California-Nevada water negotiations, and Cecil Edmunds of Truckee, a California - Nevada Water Compact Commission, met with the supervisors to outline the broad principles of Nevada county's position in the distribution of water on the eastern side of the Sierras.

The principal points to be considered, it was brought out were (1) allocation of water between California and Nevada and (2) maintenance of stream flow in the Truckee River.

Supervisors' chairman Henry Loehr felt that equal amounts of water should be released from Lake Tahoe and Donner Lake to maintain stream flow and that specific amounts must be established to be relied upon. Moskovitz said that minimums will be established at various points on all streams.

Supervisor Loehr was opposed to any cutting of the rims of lakes to get increased stream flow. He favored pumping. Edmunds objected to pumping water from Donner Lake and only at Tahoe for certain limited purposes. He felt that pumping would leave the lake levels down for two or three years and felt that the interests of people building at lakeside on Donner should be considered.

PLACER FREEHOLDERS APPROVE NEW PLAN

AUBURN—The Placer County Board of Freeholders last week approved the final draft of a county charter. The adoption of the charter came after more than eight months of deliberation. The only member not to voice consent was John Boyington, a former supervisor, from Loomis.

managing organizations have been called in to assist with the outdoor classroom project.

"A study of the inter-relationship of plants, soil, and animals," says Wilson, "is the primary aim of the new course." Tahoe-Truckee is very well situated from the standpoint of access to available study materials, Wilson concluded.

Roy Saarni and Norman Anderson, of the U. S. Forest Cervice were the first guest lecturers in range management and fire salvage in the Donner Ridge burn area. Soil erosion control projects already started, as well as wildlife management in the area were of special interest for the students.

Plant and animal identification and classification, along with the more technical examination required for taxidermy, have already been completed. The students have had a guest lecturer in taxidermy from Sacramento to help with mounting ducks, bobcats, Kokanee Salmon, squirrels and birds native to the Truckee vicinity.

Another activity which several students have started as a result of the course is a wildlife habitat improvement project on the ridge just north of the high school.

Still planned are field trips to Fibreboard Paper Products Corp., tree farm forests where the students will be lectured by resident forester Bob Khron. Subject matter for the tree farm tour will inclue a close look at harvest areas and tree selection, felling, and hauling, as well as an examination of activities relating to over-all planing for management and harvest.

Only a few students plan to continue college studies of natural resources, or allied courses of study, but most agree that the Tahoe-Truckee course is valuable and as one student said, "more students should take the course so that they would become more aware of the importance of natural resources in every day living."

Enrolled in the course are Mike Cross, Mike Comola, Mike Point, Mike Armstrong, Nick Stone, Dick Newstaedter, Claude Dewberry, Art Hulbert, Jim Scgull, Wade Hensley, Jim Osburn, John Hutchins, and Bob Purrington.

FISH STUDY

also to gauge the effects of a plant of this magnitude.

This year, Shannon advised Lunardi, the department hopes to plant a substantial number of marked yearling Lahontan cutthroat and Kamloops rainbow for comparison with the regular rainbow. These fish are scheduled to be planted in June and September this year. It is hoped that a self-sustaining population will be established.

The success of the various plants will be determined by analysis of information collected by a creel census of the lake, he said.

"We hope to accelerate studies of the life histories of Lake Tahoe fishes," Shannon wrote. "Thus far only a beginning has been made in this phase of the program."

"Information about predation, forage fish, distribution, migrations and food habits is also important," the report said. "We hope to start planning for this work as soon as the creel census data for the first six months have been summarized. Emphasis will be placed on planning to provide the most extensive yet well-balanced program possible."

Tributary stream studies, Shannon said, have not been started and little can be accomplished in this area unless more manpower and equipment are made available.

"We hope that it will be possible for us to carry out a sound and successful scientific program of investigation at Lake Tahoe," the director declared. 'There are no quick solutions to the problems. It will require much time and hard work to gain the knowledge necessary to rehabilitate the Lake Tahoe fishery. We are hopeful this can be accomplished."

THANK YOU NOTE

I wish to thank the personnel of Tahoe Forest Hospital for their graciousness and kindness to my husband, Judge Harry Charrison and myself during his illness. Also to our many friends for their thoughtfulness and help.

Mrs. Harry Charrison.

SIS, I'VE GOT A QUESTION IN MY HOMEWORK ---- HOW ARE YOU ON THE SUBJECT OF HISTORY?
I'M A LITTLE RUSTY! WHY DON'T YOU ASK PA? HE'S THE AUTHORITY AROUND HERE!
PA, I HAVE TO ANSWER A QUESTION FOR MY HISTORY CLASS --- "HOW DO WARS GET STARTED?"
THAT'S A GOOD QUESTION, BLACKIE! LET'S SEE --- WARS HAVE BEEN STARTED FOR A NUMBER OF REASONS!
WHY DON'T YOU JUST ANSWER HIS QUESTION? YOU'RE THE BIG AUTHORITY!
WELL --- WARS USUALLY START OVER SOME DISAGREEMENT BETWEEN STATES. WARS HAVE BEEN FOUGHT OVER LAND, OVER DIFFERENCES IN RELIGION ----
---WARS WERE FOUGHT TO DOMINATE TRADE ROUTES, AND A WAR WAS ONCE FOUGHT OVER A WOMAN --- WHICH I FIND HARD TO BELIEVE!
OH, YOU DO, DO YOU? ALL YOU'RE DOING IS FILLING BLACKIE'S HEAD WITH FOOLISHNESS!
FOOLISHNESS, IS IT? ALL I'M TRYING TO DO IS GIVE HIM AN OVERALL PICTURE! IF YOU HAD YOUR WAY, HIS HEAD WOULD BE FILLED WITH HOT AIR!
SO I'M FULL OF HOT AIR AND YOU KNOW EVERYTHING!
AND I STAND HERE AND GET INSULTED WHILE YOU GIVE HIM THE OVERALL PICTURE!
PLOCK!
THANKS, FOLKS! I THINK THAT ANSWERS MY QUESTION!
